Who We Are

NexTier Bank is a locally owned, community bank that has lived up to its mission of building strong communities. Our donations and volunteer commitments have helped local organizations thrive and survive.

Our donations and volunteer hours help organizations that improve the lives of our children, support in-school programming, and provide scholarship opportunities. They assist programs for seniors and our most-vulnerable populations, community groups, and those seeking to help support medical conditions such as Alzheimer's. Our efforts provide economic stability for our communities and neighborhoods. They help build strong communities.

Need a Volunteer? Ask NexTier!

NexTier Bank team members spend time volunteering in our communities. If your organization is looking for help with an event, outside yardwork, project builds, or anything in between, we may be able to help!

How can I request volunteer help?

It's simple to submit a request on our website when you navigate to the Community page. Or, you can simply email volunteer@nexttierbank.com and a bank representative will be in touch with you to help complete your request.
