

Payment Solutions That Give Back

Every donation and every cost has an impact. Nonprofit organizations need a solution that gives them more for less.

Merchant Services To Propel Your Nonprofit

From online payments to onsite donations, growing your giving has never been easier. The NexTier Merchant Services Program makes payment processing fast, flexible, and financially rewarding.

NexTier Bank offers merchant services powered by Pineapple Payments, a Pittsburgh-based payments technology company, to ensure accepting payments for your business is simple, secure, and affordable.

- Secure Payment Acceptance
- Seamless Transaction Management
- Cost Savings + Transparent Pricing

Business Benefits

- **Cost Savings:** Use value-added tools and custom fees to offset processing costs. Cost-conscious pricing and proper merchant classification optimize interchange savings.
- **Flexible Donations:** Broaden your payment acceptance with ACH, Credit, and Debit card processing. Make it easy for donors to give - receive funding as early as the next day.
- **Donation Page:** Enable convenient online giving via secure Hosted Payment Pages. Create a page for every occasion - setup takes minutes (no programming required).
- **Onsite Giving:** Collect donations from anywhere. Process payments onsite and strengthen in-person fundraising at events with a mobile credit card reader.
- **Recurring Giving:** Establish a steady cash flow and improve donor retention with automated recurring payments. Any terms, any amount, any schedule.
- **Reconciliation Reports:** Collect donor data, track contributions, view full-transaction lifecycle, and export reports to QuickBooks and other systems for automatic reconciliation.
